

TREE HOUSE HIGH SCHOOL, SHEWALEWADI
SUBJECT: SOCIAL STUDIES
CH-15: POLITICAL DIVISIONS OF SOUTH INDIA

Q: Answer the following questions:

1) Sandalwood trees are sometimes stolen in Karnataka. Why do you think this is so?

Ans – Sandalwood trees are sometimes stolen in Karnataka as they are grown for their expensive and sweet-smelling wood. Selling the wood fetches good money.

2) Name some of the handicrafts in Andhra Pradesh.

Ans – Metalwork, vegetable dyes and leather puppets are some of the handicrafts found in Andhra Pradesh.

3) Why is Kerela called ‘God’s own country’?

Ans – Kerela is called ‘God’s own country’ because of its beautiful green landscape and network of waterways.

4) What are some of the tourist attractions in the union territories of India?

Ans – Puducherry is known for its beaches, the Matrimandir and Aurobindo Ashram. Andaman and Nicobar Islands are known for their islands which are visited by tourists. Lakshadweep is also known for its beaches, scuba-diving and vast variety of underwater life.

5) Where are the Lakshadweep islands located?

Ans – Lakshadweep islands are located in the Arabian Sea.

6) What is scuba-diving? Where is it popular and why?

Ans – Scuba-diving is popular in Lakshadweep as the islands have clear waters and a vast variety of underwater life.

Q: Picture Study:

These are coconut trees, fishing nets and rice fields. How do they affect the life of the people in south India?

Ans – 1) Coconut trees provide coconuts, oil, coir, and leaves. People use them for food, cooking, making ropes, mats, and houses.

2) Fishing nets show that many people depend on fishing for their livelihood, especially in coastal areas. Fish is also an important food.

3) Rice fields show that rice farming is a major occupation. Rice is the main food of the people.
