A Visit to the Zoo

Last Sunday, Riya and her family visited the city zoo. It was a bright and sunny morning. Riya was very excited because she loved animals. As they entered the zoo, she saw a tall giraffe munching leaves from a tree. Next to the giraffe was a group of playful monkeys swinging from one branch to another.

They walked further and saw a tiger lying lazily in its cage. Riya was amazed to see the tiger so close. They also saw zebras, elephants, and even a crocodile resting near a pond. Her younger brother loved watching the colourful birds that chirped and flew around in their big enclosures.
